

# Make a Strong and Lasting Impression with Lexan\* Sheet

Signs lead a harsh life, suffering the abuse of wind, weather, traffic and vandalism. With 30 times the impact strength of acrylic, and 10 times that of “impact-modified” acrylic. Lexan polycarbonate sheet has over 50 years of experience and stands up to everyday punishment while delivering tremendous value.

- Strength that won't quit.
- A world of design freedom
- Unmatched UV resistance
- Broadest portfolio of sign grades

Lexan Sheet is *Clearly Better* for:

- Monument Signs
- Pylon Signs
- Channel Letters
- Formed 3-D Faces
- Menu Boards
- Electronic Messaging Fascias

## Portfolio of Sign Products

### Lexan SGC100 Sheet

Clear two side polished sign grade with a UV resistant surface on at least one side, ideal for second surface decoration. Limited warranty against breakage, yellowing, & light transmission loss. Cling-stick masking top & bottom.

### Lexan SG308 Sheet

Clear sheet polished one side and matte textured on the UV resistant side, ideal for second surface decoration. Limited warranty against breakage, yellowing, & light transmission loss. Coex cling-stick masking top & bottom.

### Lexan SG404 Sheet

For primary white and translucent colors, this polished both sides sheet provides outstanding weatherability. Lexan SG404 is warranted ^ 5 years against breakage & surface failure. Cling-stick masking top & bottom.

### Lexan SG410 sheet

For primary white, this polished both sides sheets provides superior weatherability for white. It is warranted ^ for 10 years against yellowing, breakage, and surface failure. Cling-stick masking top & bottom.

### Lexan SGC44 OB Sheet

Proprietary polished-polished sheet offering both uniform light diffusion to eliminate LED “pinholes” and superior light transmission for exceptional brightness. Limited 10 year warranty against breakage, yellowing and light transmission loss. Coex cling-stick masking top & bottom.

### Lexan 9034 Sheet

General purpose Lexan polished both sides sheet, warranted for 5 years against breakage, for primary interior use. Available in a variety of colors and sizes. Coex cling stick masking top and bottom.

### Margard MR10/MR101 Sheet

An outdoor weatherable polished-polished sheet available clear or tinted with UV hard coat on either one side or both sides; limited warranty against breakage, yellowing, & light transmission loss. Paper masking top and bottom.

SGC104, SG4044 & SG4104 use coex cling-stick masking.
