

Spider Stakes

- These stakes are proudly made in the USA from 100% recycled plastic and has a great contemporary look.
- The new re-designed USA Spider Stake is more durable. It can be hit with a hammer to get it into hard ground!
- Has a lower price! Finally, a practical alternative to the "H" wire yard sign stakes. Now you can upsell coro signage!

These stakes are sold 50 per carton. A box of 50 weighs less than 11 lbs.
